CANADIAN MUSEUM FOR HUMAN RIGHTS QUARTERLY FINANCIAL REPORT

Cash Flow: For the three months ended June 30, 2012

Cash and cash equivalents decreased by \$4.9 million in the three months ended June 30, 2012 primarily due to \$14.1 million used for construction offset by \$8.2 million realized from the sale of investments. This is compared to the decrease in cash and cash equivalents of \$1.6 million in the three months ended June 30, 2011 primarily due to the timing of the receipt of operational appropriations.

Outlook and Risk Analysis:

Management continues to monitor risks and strategies related to the Capital Project. The building will be on track for substantial completion by year-end and 100% of the base building has now been tendered.

The Museum continues to work towards inauguration in 2014, as announced at the Museum's Annual Public Meeting in December 2011, and has aligned project and work plans accordingly. CMHR along with the continued commitment from the Friends of the CMHR were able to secure a \$35 million loan guarantee from the Province of Manitoba. This commitment, together with the support of the Government of Canada, the City of Winnipeg and the leadership of the private sector, has helped enable the Museum to confirm timeline for the 2014 Inauguration.
